## **Moth by Sean T. Poindexter**

Released August, 2014

Social worker Max Hollingsworth is no stranger to monsters. Supernatural or human, he's faced all kinds. But when he's called upon to investigate a missing child, he may have met his match.

Children are vanishing, not just from the streets, but from their parents' memories. Max's investigation leads him to a gang of neo-Nazi vampires running a child slavery ring. There, he comes face to face with the deadliest enemy he's ever met, their charismatic and powerful leader Boone.

Running low on hope and options to find the missing children, Max turns to his friends for help. But even they aren't enough. Forced to face the darkness of his own past, Max forges an alliance with the least likely ally of all. An enemy whose cruelty was almost his end, and haunts him still.

### **ABOUT THE AUTHOR**

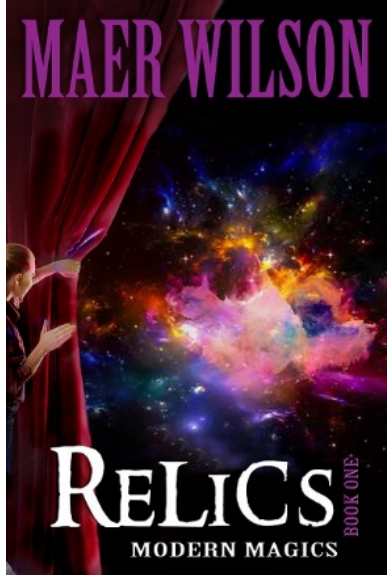

Though born in Mesa, Arizona, Sean has spent most of his life in Missouri. After college, Sean went into social and investigative work, primarily with disabled adults and seniors. Sean's background in sociology, criminology, and philosophy and his experience as an investigator for the State of Missouri, are heavy influences in his writing.

Sean did not consider writing professionally until he was inspired by a terrible vampire movie. During the film, Sean amused himself by imagining the vampires being attacked by a dragon. His imagination resulted in his series, *The Dragon's Blood Chronicles*, featuring dragons and vampires.

Sean enjoys watching and reading science fiction, fantasy, horror, and thrillers. His hobbies include playing Xbox, fantasy role playing games and collecting firearms.

## Relics by Maer Wilson

Released September, 2014

Most of Thulu and La Fi's clients are dead. Which is perfect since their detective agency caters to the supernatural. But a simple job finding a lost locket leads to a big case tracking relics for an ancient daemon.

The daemon needs the relics to keep a dangerous portal closed. His enemy, Gabriel, wants the relics to open the portal and give his people access to a new feeding ground – Earth.

Caught on live TV, other portals begin to open and the creatures of magic return to Earth. The people of Earth are not alone, but will soon wish they were.

When Gabriel threatens their family, Thulu and La Fi's search becomes personal. The couple will need powerful help in the race to find the relics before Gabriel does. But maybe that's what ghostly friends, magical allies and daemoniac clients are for.

*When the creatures of myth and magic return to Earth, they're nothing like your mother's fairy tales.*

### ABOUT THE AUTHOR

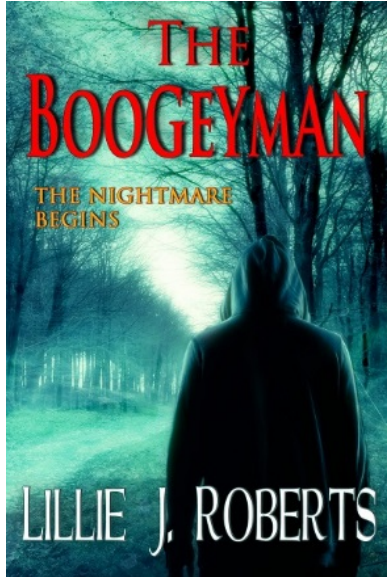

After a successful career being other people, and later teaching others the many tricks of that trade, Maer Wilson has decided to be herself for a while. Turns out she's a writer. She's always loved stories, especially fantasy, mystery and sci fi. Maer was born in the Year of the Dragon and has a dragon-themed room in her home, but sadly no dragons in the backyard. When she's not writing, Maer plays online video games, teaches college and reads.

Maer lives in the high desert of Southern Nevada with her three dogs, a chihuahua and two poodles.

Her books include the novels *Relics*, *Portals*, and *Magics* in the *Modern Magics* series, as well as four novellates.

## **ABOUT THE AUTHOR**

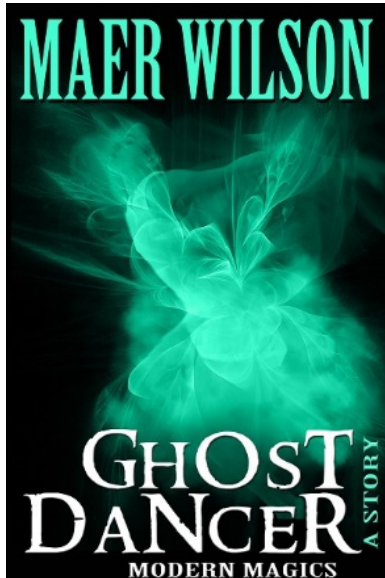

Lillie J. Roberts is a multi-published, Amazon best-selling author who loves to read as much as she does to write. You can most often find her lost in her favorite genre, whether it be a hardback/paperback or an ebook (or maybe she's writing one), especially on road trips. She writes Paranormal Romance, Urban Fantasy, Chillers/Thrillers, Suspense from Modern Contemporary to New Adult and YA.

She lives in central Illinois with her husband, three children, and one wild Westie. She loves movies and listens to them while she writes, it doesn't matter if they're old or new, as long as they're engaging. She loves all kinds of music, especially if it has a hard driving beat. You'll find some on her favorite artists mentioned in the pages of her books.

# **Innocent Blood by Louann Carroll**

Released April 2015

They call him the Pope on Dope.

Danny Fisk has a secret no one outside his family would believe.

Danny sees things others can't: like ghosts and the future. In his teens, he used drugs to escape his gifts, but with help from his family, Danny cleaned up his life. For fifteen years, he lived the American Dream. He had a loving wife, kids, a great job, and proud parents.

That ended when renewed pressure from his abilities drove him back to drug abuse. Now, Danny's on a mission to save as many as he can from the streets that would destroy them all.

Pursued by corrupt cops, drug cartels and his own inner demons, Danny must find a way to survive his gifts. If not, he'll continue a downward spiral that could cost him the lives of those he's trying to save. As well as his own.

She is a student of alternative religion, archaeology, anthropology, and paleontology.

She is the author of *Gemini Rising*, a sci-fi romance, *A Shadow of Time*, a paranormal romance, *Journeys*, *The Adventure of Leaf*, and numerous children's stories.

## Portals by Maer Wilson

Released October, 2014

For supernatural detectives Thulu and La Fi, “normal” is a relative term. La Fi is a medium, Thulu is a finder, and their usual clients are already dead.

But when their friend Reo is shot, and a group of stranded angels show up at their house for help to find a missing child, things are striking too close to home.

And the portals that let the magical races return to Earth have started opening on their own.

With trips off-world, a kidnapped psychic and changes to their own abilities, Thulu and La Fi are hit with a lot more than they usually handle. Of course, their magical friends are there to help, but even they may not be enough to save an increasingly unstable Earth.

## *Idyllic Avenue* by Chad Ganske

Released May, 2015

Stranded on a planet with two dying suns, humanity faces extinction.

Stanford Samuels hopes to be inside the massive bio-dome that will offer protection from the permanent night. But the dome is for the genetically perfect, and Stanford, like many others, is a mutant.

In an effort to increase the Perfect population, mutants are paired with Perfects capable of eradicating the defective genes and producing flawless children.

But when androids are designed to produce Perfect human offspring, the need for the mutants dwindles. And their chances of making it into the dome are greatly reduced.

As unending night approaches, a terrorist group of mutants wages war against the Perfects for their right to survive.

With his own life in the balance, Stanford is caught between the two sides and must choose one or be left alone in the dark.

## Magics by Maer Wilson

Released June, 2015

In Relics, the creatures of magic returned to Earth.

In Portals, magic itself returned.

In Magics, we'll wish it hadn't.

The laws of magic have become as real as the laws of physics, and humans with magical powers are becoming the norm.

But human magic is out of control - powerful, wild, unpredictable. Five ultra-powerful humans rise above the rest to begin a reign of terror, and entire cities fall. The elves and other Elder Races are desperate to find and stop these magical terrorists. But for the first time, the magic of the Elder Races is surpassed.

Thulu and La Fi join the hunt for the human supes causing the planet-wide massacres. With their own magic evolving and erratic, the race to catch the killers becomes far more difficult. They need to find them and stop the chaos before there is no world left to save.

# Ghosts of Modern Magics: A Collection

by Maer Wilson

Before magic returned to Earth in the Modern Magics novels, Thulu and La Fi's clients were usually the dead. The Ghost novelettes detail a few of their more memorable cases.

“Ghost Memory” - An amnesiac ghost hires Thulu and La Fi to find missing money from his home for his aging husband.

“Unwanted Ghost” - The couple inherits a furnished Victorian, complete with its own noisy ghost.

“Ghost Dancer” - Young Danika asks Thulu and La Fi to save her dog from the killer who murdered her.

“Wedding Ghost” - Just before their own wedding, the detectives are hired to find out what happened to another bride ninety years before.

**BONUS MATERIAL** - “Lost Ghost” tells the story of eleven-year-old Thulu and Fiona's first case.

### *A Shadow of Time by Louann Carroll - Paranormal*

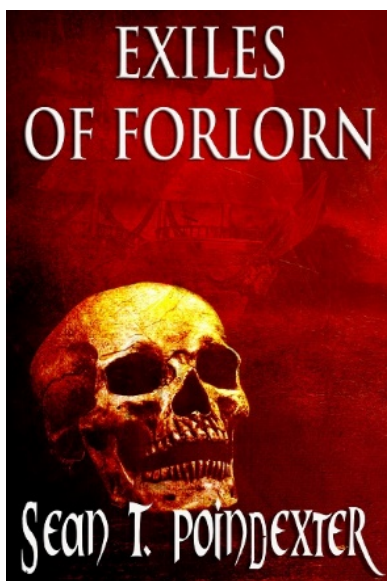

When young widow Kellyn O'Brien discovers her toddler has inherited the Shadow Ley fortune and estate, she thinks all of her problems are solved.

Unseen, a mysterious guardian dwells deep beneath the house. As the run-down mansion repairs itself, Kellyn is plagued by nightmares – windows into other dimensions that are as confusing as they are frightening.

Not sure what is real or imagined, Kellyn turns to her new friends for help. When they realize that their dreams are connected, they are determined to find the truth behind the unbelievable coincidence.

But the presence at Shadow Ley has something more diabolical in mind. And the friends must unravel the secrets before the insane entity takes more lives, beginning with theirs.

### *Exiles of Forlorn by Sean T. Poindexter – Young Adult Fantasy*

It all began when the old man died.

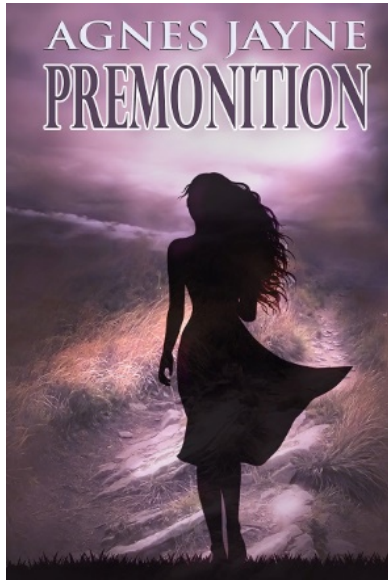

On a ship of exiles bound for the edge of civilization, he passes on his life's work to a band of youths. He gives each of them a piece of information that leads to a mythical treasure.

The five friends – the lord's son, the soldier, the thief, the beautiful river pirate and the wizard's apprentice – all agree to join the hunt.

They arrive on the shores of Forlorn eager to begin their journey, but find a community plagued by threats from pirates and man-eating giants. The friends must choose to either stay and help those who have taken them in or to venture into unknown lands in search of a prize that may not even exist.

Either choice promises excitement, danger — and death.

## **Premonition by Agnes Jayne – Paranormal Romance**

Emily Von Peer hopes she never meets the man of her dreams.

For years, she's been haunted by visions of an unknown lover. But after the death of her aunt and her return to her family's estate, the dreams change. Every night she sees her imaginary lover die in her arms, until she comes face to face with him in broad daylight.

Nicholas Flynn is an Agent of Paladin, an enterprise dedicated to the study and eradication of demons. Seeking answers to a slew of magically related murders, including her aunt's, Emily joins him in the investigation.

When their exchange with a demon goes awry, Emily sustains an injury that threatens to turn her into a monster - and thrusts her into the crosshairs of sorcerers, senators, and a seductive stranger who promises eternity.
